LEGAL-ese is BAD.

BUT NECESSARY TO PROTECT YOURSELF
in this litigious world we live in.

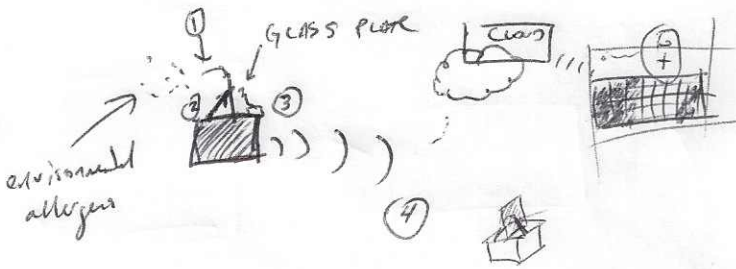

So let's make it easy.

- ① Bullet Point informed consent, explanation BUT condensed and simplified → Concept, Health
- ② Digital Signing / Biometrics?

ALLERGEN DETECTOR

ANALYTICS

How I guess the
LASER works...
(1) specific light
beams detect
bitting protein
(2) Allergen =
Protein
(3) Refractional
input (and
be detected)
